WALKING PILGRIMAGES

INDEPENDENT TRAVEL

For those who wish to travel independently of a group, Catholic Charities of California is pleased to introduce walking pilgrimage “Independent Travel”!

With the independent travel option, we provide:

- Hotel arrangements
- Luggage transfer from hotel to hotel
- A Pilgrim passport
- A Patron Saint prayer card
- Day-by-day personalized Guide Booklet that includes maps, directions, hotel details, information regarding historical sites, recommended restaurants, and “things to do”

What our independent pilgrim travelers are saying...

“My husband and I are so thankful for the opportunity to experience this unique trip! CCC handled all the planning details, freeing us of much potentially added stress that complex logistics bring. The team was so encouraging and positive. We were able to take in the many blessings along the way, knowing we had a goal site to reach daily. We’d recommend you to anyone and can hopefully do another!” -Terry
