What pilgrims are saying...

Unexpectedly beautiful and life-changing. The spiritual focus and the logistics CCC took care of made all the difference. - Kathleen

My fondest memories are of the group eating and laughing together every night. My favorite day was when we walked from Sutri to Campagnano and stopped at the Falls of Monte Gelato. I still remember the pleasure of putting my feet in the cold water! - Massimo

The feeling of fatigue at the end of each day was nothing compared to the journey, the scenery, the kindness of people, the food, and the personal quiet moments with God. What makes this trip unique is the attention to detail and the affordable cost. Not only is this pilgrimage good spiritually but it is supporting the work of Catholic Charities, an absolute win-win situation! - Christine
